

First Communion Class

Session #1: The Bible as God's Redemptive Story

Your Name:

1. Have you ever read a story in the Bible and wondered what it had to do with the rest of the stories? Why do you think it is important to talk about how the Bible works together?
2. Look at the Bible timeline together with your family. Can you name a person and/or story from any of these eras? Ask your parents to tell you about one or two stories/people they remember from this timeline.
3. What is the big story God is telling us through the whole Bible? How are you part of this big story?
4. Read out loud the *First Article* of the Apostles' Creed and *Explanation* (pg. 16). Have your parents help you write down ten things God has done for you.
5. Read out loud the *Second Article* of the Apostles' Creed and *Explanation* (pg. 17). What three things has God saved you from (listed in the *Explanation*)? What did He save and purchase you with?
